Three aspects

- ❑ The crisis of the political system in the USA
- ❑ The crisis of Western bloc
- ❑ The alternative for Western bloc

The crisis of the political system in the USA

- ❑ A system based on capitalist funding
- ❑ Policy is not made by politicians, but by the military industrial complex and its competitors
- ❑ Politicians execute those policies

A comparison of Nazi Germany and USA

- ❑ Nazism and extreme right use racism to mobilize discontent
- ❑ The driving force behind Nazism was the capitalist class in the heavy industry: they needed the resources in Eastern Europe. They needed the war.
- ❑ The capitalist class of the consumer industry was against Nazism. They did not need the war.
- ❑ Extreme right wants protectionism, not expansionism. They don't need war.
- ❑ The support for the war by extreme right in Gaza is based on Zionist lobby, not on economic interest of USA and Europe

The dilemma for Biden and the Democrats

- ❑ They can not go all out against Trump: comparison with Hitler, hate campaign rather than political discussion
- ❑ Biden has failed as a leader, but there is not credible replacement

The problem for the Republicans

- ❑ Trump is not the candidate of the military industrial complex
- ❑ Trump is not a consistent politician
- ❑ First term of Trump: surround him neo-cons. It worked
 - ❑ Failure of dialogue with North Korea
 - ❑ The murder of general Suleimani
 - ❑ Failure of dialogue with Russia: the idea of a split between Russia and China did not work

The second term for Trump

- ❑ Primary factor: how to deal with the neo-cons and the military industrial complex
- ❑ Ukraine and NATO: biggest challenge.
- ❑ Internal policies: immigration, economic recovery

The crisis of Western bloc

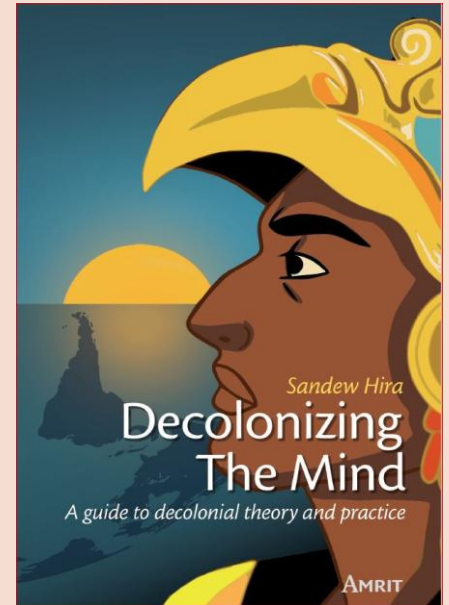

- ❑ The US is leading Western bloc and NATO
- ❑ A split between the US and the rest of the Western bloc will impact geopolitics

The alternative for Western bloc

- ❑ Russia and China are leading BRICS and SCO
- ❑ India follows, but does not lead
- ❑ Iran is the leading force in Western Asia
- ❑ Iran, Russian and China can take the lead in building the alternative for the Western bloc
